

Phase I Water Restrictions go into effect June 1st of each year and end on September 30th of each year.

Phase I conservation measures shall consist of the following restrictions and prohibitions on the use of Cedarville Waterworks sources:

- (1) The following uses of water are permitted at locations with even-numbered addresses on even-numbered days of the month only and at locations with odd-numbered addresses on odd-numbered days of the month only: lawn watering; watering of shrubs, plants, trees and gardens; the washing of motor vehicles, trailers or boats; filling of swimming pools or fountains; and washing of building exteriors.
- (2) No person shall use water to such an extent as to allow water to escape from his premises onto public property nor onto another person's property.
- (3) Commercial irrigation from Cedarville Waterworks sources shall be done only to the extent necessary to preserve turf and other plant life and at such times during the day as to minimize water loss due to evaporation.
- (4) The use of water from fire hydrants at any time for construction purposes, fire drills or routine hydrant testing is prohibited. Only non-potable water may be used for dirt compaction, earth moving operations or street base course construction.
- (5) The washing of sidewalks, walkways, driveways, patios, parking lots and other hard-surfaced areas by hosing or by use of water directly from faucets or other Cedarville Waterworks sources is prohibited. Food processing and food service establishments may engage in such use of water only to the extent necessary to maintain and preserve the public health, and in compliance with any state or federal regulations. Restaurants and other food service establishments may hose or wash only walkways immediately adjacent to entrances and not beyond ten feet of entrances and not beyond ten feet of garbage facilities, food delivery or food serving areas.
- (6) No person shall irrigate or water lawns, turf, shrubs, plants, trees or gardens between the hours of 10:00 a.m. and 7:00 p.m.

A verbal or written warning will be issued for the first violation.

The second violation of a Phase I restriction will get a \$100.00 fine.

After the second violation, there will be a \$500.00 fine and water will be disconnected immediately if behavior persists.

Phase II Water Restrictions shall apply to all users of water from Cedarville Waterworks. An advanced conservation phase (Phase II) shall go into effect when the following conditions occur:

The total amount of water in the water system's storage reservoirs remain below eighty percent (80%) of total storage capacity for three consecutive days.

(1) During a Phase II conservation measures shall consist of Phase I measures plus the following restrictions and

prohibitions on the use of water from Cedarville Waterworks sources.

(a) The watering of shrubs, plants, trees and gardens is permitted only by hand-held hose and should be limited to the

minimum amounts necessary to sustain plant life. Such watering is permitted at locations with even-numbered

address on even-numbered days only and at locations with odd-numbered addresses on odd-numbered days of

the month only. All lawn and turf watering from Cedarville Waterworks sources is prohibited.

(b) Commercial irrigation from Cedarville Waterworks sources shall be done only to the extent necessary to preserve

turf or other plant life. School football and baseball field watering from Cedarville Waterworks sources is

specifically prohibited.

(c) All washing of motor vehicles, trailers, airplanes, boats or building exteriors is prohibited, except at commercial

car washes and licensed commercial vehicle dealerships. Licensed commercial dealerships shall limit washing

to Tuesday and Friday only. The filling of swimming pools or outdoor fountains and outdoor fountain

operations are prohibited.

(2) The restrictions and prohibitions of Phase II shall be removed when storage facilities stay above eight percent (80%)

and pump times are less than 18 hours per day for five (5) consecutive days.

A \$100.00 fine will be issued for the first violation.

The second violation of a Phase II restriction will get a \$500.00 fine. After the second violation water will be disconnected immediately if behavior persists.
